

18. Communication

Date	2 July 2026
Team ID	SWTID-2026-4570
Project Name	EduGenie – Google Gemini Powered Learning Assistant
Maximum Marks	1 Mark

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	WhatsApp / Google Meet	All members	Sync progress and blockers
2	Progress Update	Weekly	Google Meet	All members	Review sprint progress against backlog
3	Issue / Bug Discussion	As Needed	GitHub Issues / WhatsApp	Relevant members	Triage and resolve implementation issues
4	Stakeholder / Mentor Review	Bi-Weekly	Google Meet	Team Lead + Mentor	Get feedback on architecture and progress
5	Final Demo Rehearsal	Once	Google Meet	All members	Rehearse the live project demonstration

Communication Challenges & Resolutions

S.No	Challenge Faced	Resolution / Action Taken
1	Coordinating schedules across team members with different class timings	Fixed a recurring daily standup slot agreed by all members
2	Keeping module interfaces (Pydantic schemas) consistent across parallel work on different features	Centralized all request/response schemas in models/schemas.py as the single source of truth
